BASE READYTHEME CUSTOMIZATION

Updated November 12, 2014

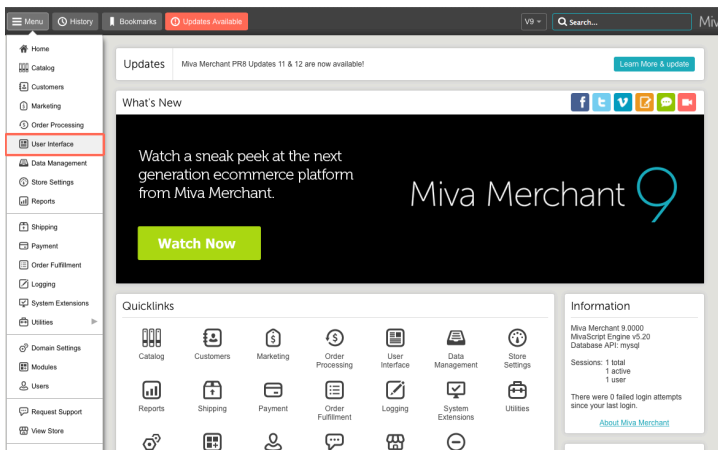

Installing the Base ReadyTheme

These instructions are for installing a ReadyTheme to a brand new store. If you have an existing store, please contact support.

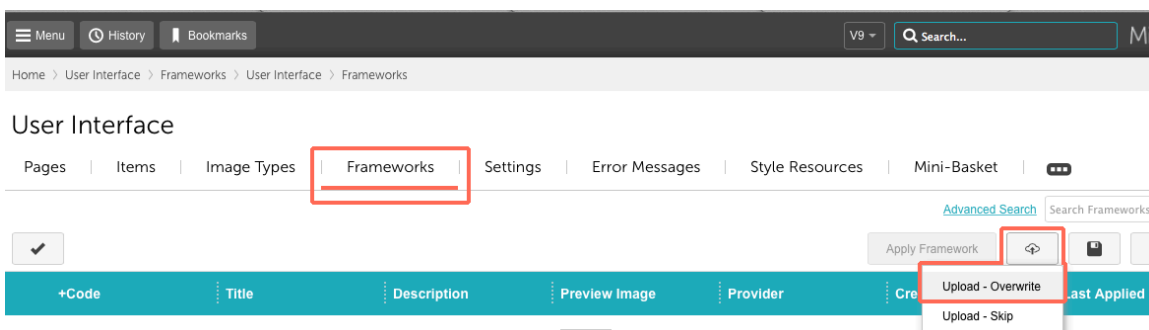

1. Got to http://www.miva.com/mm5/merchant.mvc?Screen=readythemes&Store_Code=MIVA and download the theme you want. For this guide we are downloading and installing the Base ReadyTheme.

2. Go to your Miva 9 Admin, click on Menu, scroll down and select “User Interface.”

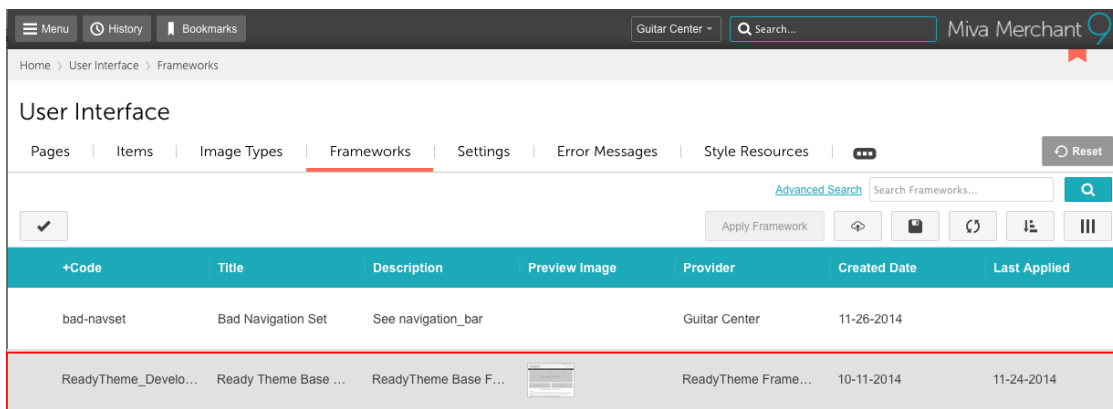

3. Select Frameworks, click on the upload button, select “Upload-Overwrite.”

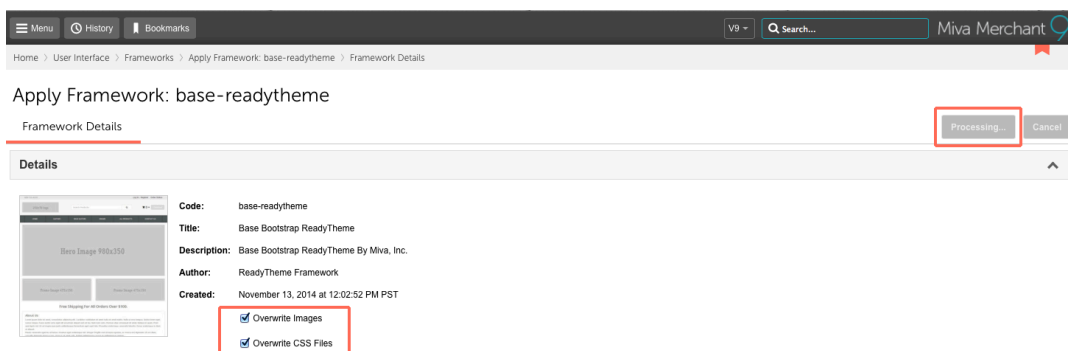

4. Go to your downloads file, open the readytheme folder, and select the .pkg file, then select “Choose.”

5. Click on your ReadyTheme, Click “Apply Framework.”

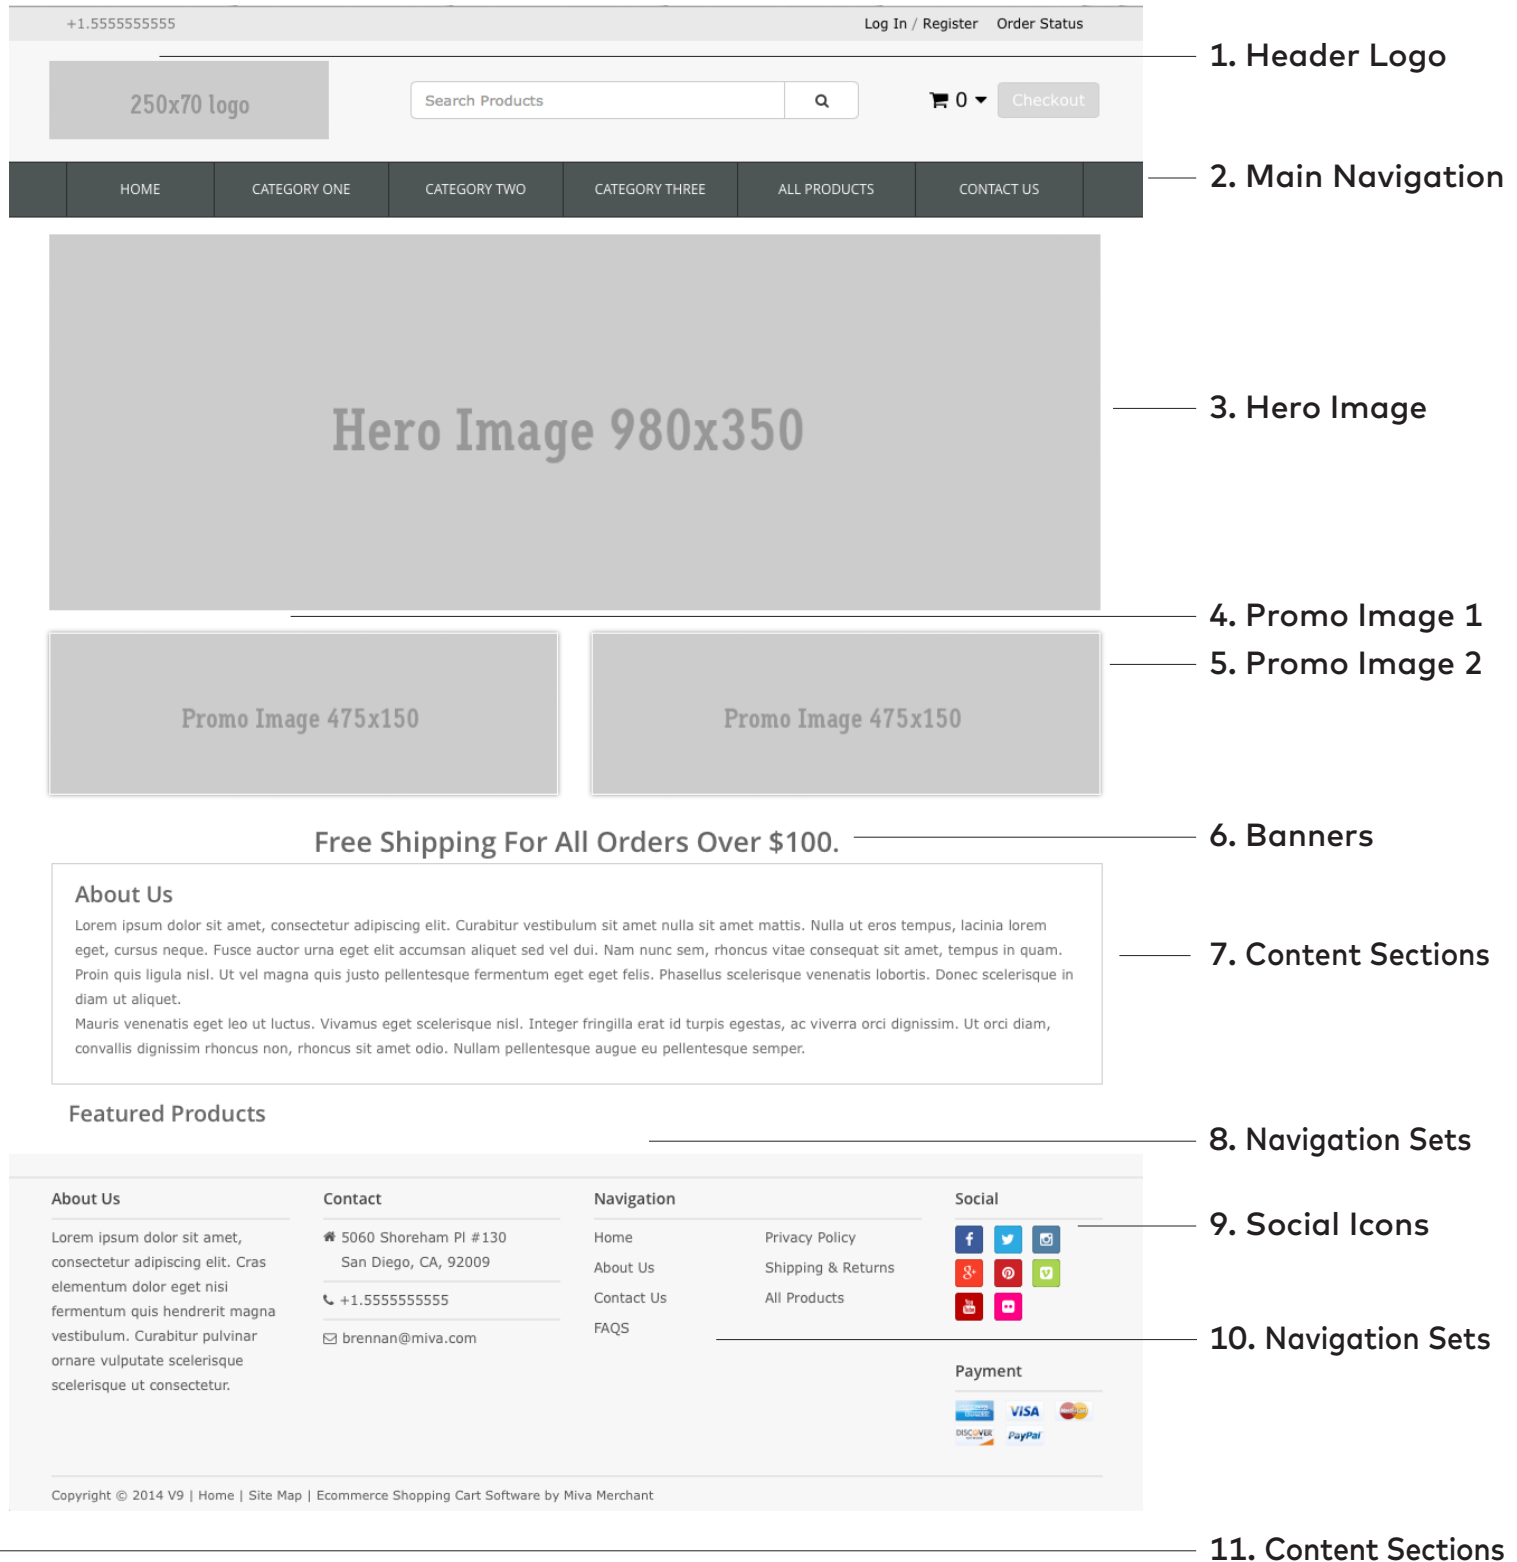

6. Click the two boxes, “Overwrite Images” and “Overwrite CSS Files”, then click “Apply.”

7. A secondary warning page will come up, go ahead and hit “Apply” one more time.

-
- The screenshot shows the Miva Merchant interface. At the top, there's a navigation bar with 'Menu', 'History', 'Bookmarks', 'Ratio Revival...', and a search bar. Below this, a breadcrumb trail reads 'Home > ReadyTheme > Navigation Sets > Edit Navigation Item: main-navigat... > Navigation Items'. The main heading is 'Edit Navigation Item: main-navigat...'. Below the heading is a sub-heading 'Navigation Items' with a red underline. To the right of the sub-heading is a 'Reset' button. Below the sub-heading is a table with columns 'Name', 'Link', and 'Active'. The table contains one row: 'Shop' under 'Name', 'Page: Product List' under 'Link', and 'Yes' under 'Active'. Below the table is a modal dialog box titled 'Edit Navigation Item'. The dialog has three input fields: 'Name' (containing 'Shop'), 'Link' (containing 'Page: Product List' with a 'LINK UP' button), and 'Link Target' (set to 'Self'). At the bottom of the dialog are three buttons: 'Cancel', 'Delete', and 'Save'.
